

Pangaea Takes Delivery of 2 Ice Class 1C Newbuildings

PRESS RELEASE

NEWPORT, RI – December 7, 2016

We are pleased to announce that 2 more newbuildings M/V Bulk Endurance and M/V Bulk Destiny were delivered on December 7, 2016 from Oshima Shipyard in Japan.

Both vessels are classed with the highest commercial Ice Class 1C. The addition of these 2 vessels strengthens even more our position as a world-leading operator of 1A ice classed tonnage.
